

# Pet an alpaca at the market this Saturday

Want to see and pet a real alpaca? Be at Howard's Flea Market from 9 a.m. to 2 p.m. Saturday. Mike and Sheila Temple of Sun Spiced Alpacas will be there, not to the office, with live alpacas that are in full fleece.

They will also demonstrate a real spinning wheel. One of the alpacas actually likes to give kisses. Bring the kids for a special day.
